

COLLEGE TECH PREP

Theater Arts Career Academy

This two-year College Tech Prep Academy combines college prep academics with hands-on experience in the theater arts. Students will explore acting and directing, theater design and technology, theater history, literature and criticism and arts administration. Students will showcase their “Best of Scenes” to audiences at the end of Level I and present a “culminating experience” at the end of Level II. Each student will develop an electronic portfolio. The Theater Arts Career Academy outlines a career pathway leading directly to an associate’s or bachelor’s degree.
