

# Career Directions from the Compact

News for parents from the Six District Educational Compact about College Tech Prep Initiatives and Career Programs

## POINTS OF PRIDE IN THE COMPACT

- **Computer-Aided Design and Engineering Technologies** College Tech Prep Initiative at Roosevelt received a \$5,000 grant from the Gene Haas Foundation and the Haas Factory Outlet—Midwest located in Twinsburg.
- Kent State University donated a wind tunnel so **Aeronautics Careers Academy** students can do testing right in their own lab at Stow-Munroe Falls High School.
- Tallmadge's DECA team of **Zach Davis, Vaughn Richards** and **Phillip Glasser** is one of the top three finalists in the 2017 DECA/Herff Jones Marketing Results Challenge and were awarded a free trip to Florida for a national competition.
- Stow-Munroe Falls **Programming and Software Development College Tech Prep** students placed first recently at the Business Professionals of America regional in the website design contest.
- Cuyahoga Falls **Interactive Marketing and Design** student **Emma Freeman** was recently selected as one of five winners in the Teen Pitch Tank presented by the Young Entrepreneur Institute and Cleveland State University.

## NEW! SUMMER ENGINEERING CAMP FOR MIDDLE SCHOOL GIRLS

Middle school girls in grades 7 and 8 are invited to experience engineering, science and technology at Kent State University campus. The tuition-based camp will be held from June 12 to June 16 from 9 a.m. to 3 p.m. Girls will take part in fun and challenging hands-on engineering projects, as well as explore career opportunities during site visits to area engineering and technology businesses. For information, call the Compact office at 330-655-2247.

## A.C.E. ACADEMY INCLUDES EXPERIENCE IN COCKPIT

Incoming sophomores, juniors and seniors can enroll in the A.C.E. Academy held from June 12 to 16. This weeklong, tuition-based experience includes a "flyover" at the KSU airport and tours of area airports and Cleveland Hopkins Control Tower, as well as hands-on experiences in Kent State's new aeronautics labs. Call the Compact office at 330-655-2247 for information or visit [sixdistrict.com](http://sixdistrict.com).

## APPLY ONLINE NOW AT OUR NEWLY-DESIGNED WEBSITE

Interested in applying to enroll in a College Tech Prep Initiative? Visit our newly-designed website and apply online at [www.sixdistrict.com](http://www.sixdistrict.com). Please talk to your student's school counselor. These professionals are assigned to assist in Compact program recruiting and are very familiar with our opportunities.
