

What students need to know about the Six District Educational Compact

STEP 2

Check our website at
www.sixdistrict.com
for additional details.

STEP 1

Attend the ORIENTATION at your school. Student Ambassadors from each College Tech Prep Program will talk with you individually about their experiences and share their insights.

STEP 3

Visit any College Tech Prep Program you are interested in to see for yourself what they are like. Meet the teacher. Tour the lab and hear just what you will experience. Transportation is provided.

IT'S EASY TO APPLY...

Quick Facts

- You'll spend the morning or afternoon in your College Tech Prep Program and spend the other half-day at your home school.
- Participate in sports, band and other activities at your home school. Free bus transportation is provided. If you are working as part of your College Tech Prep Program, you may need to provide your own transportation.
- You will graduate— and take part in ceremonies – at your home school.
- You can earn college scholarships.

Important Dates
