

# What students need to know about the Six District Educational Compact

## It's easy to apply:

### PHASE 1

**ATTEND** the virtual ORIENTATION in your high school for the Six District Educational Compact 27 Career-Technical Education Programs. Check out any CTE program, virtually, to see for yourself what it is like. Go to our website, [www.sixdistrict.com](http://www.sixdistrict.com).

### PHASE 2

**PARTICIPATE** in a scheduled virtual visitation of up to five Compact Career-Technical Education programs. You will meet the Career-Technical Education teacher, view a pre-recorded video, and have time for a Q&A with the teacher and student ambassador. The virtual visitation schedule will be posted on the Compact website. You can also contact your school counselor for this information.

### PHASE 3

**APPLY** online – [www.sixdistrict.com](http://www.sixdistrict.com). The application goes live early February 2021.

## Important Dates:

### DECEMBER/JANUARY

- Virtual orientation at your home school.

### FEBRUARY

- Virtual visitation of up to five Compact CTE Programs.
- Submit your application online.

### LATE FEBRUARY/EARLY MARCH

- Receive notification of your application status.

### APRIL-MAY

- Meet the Student, Parent and Teacher Receptions.

## Quick Facts:

- You'll spend the morning or afternoon in your CTE Program and spend the other half-day at your home school.
- Participate in sports, band and other activities at your home school. Free bus transportation is provided. If you are working as part of your CTE Program, you may need to provide your own transportation.
- You will graduate – and take part in ceremonies – at your home school.
- Job shadowing, mentorships and internships are available in all 27 programs.
