## Educational Compact

### 2023-2024 Overview

## What is Career-Tech / CTE?

Career-Technical Education (CTE) provides students with relevant, engaging, hands-on programming that include college-prep academics (English, math & science), technical skill development and career exploration.

Upon completing a CTE program, students are prepared to:

- Enter college to further study a career pathway
- Enter the workforce with training aligned to industry standards
- Be career and college ready at the same time!

CTE Programs include opportunities for:

- Work-based learning experiences / internships
- Job shadowing
- Connections with area industry and higher ed partners
- College credits
- Mentorship that provides guidance on career exploration
- Membership in career-based organizations

## What is the Six District?

The Six District Educational Compact is a network of six local school districts that offer 28 CTE programs to YOU!

**Cuyahoga Falls HS**  
**Kent Roosevelt HS**  
**Tallmadge HS**

**Hudson HS**  
**Stow-Munroe Falls HS**  
**Woodridge HS**

- Most programs are two years and students typically participate in 11th and 12th grades. Students spend a half day at their home school completing their college prep academics and the other half day at their program school completing their CTE program.
- Students continue to participate in their home school athletics, clubs, activities and graduation.
- Transportation is provided.

## What CTE completers are saying...

"After completing the Biotech Academy, I feel like I have an advantage over other students in many of my college courses...much of the content I am learning was covered in Biotech!"

**NICK CIANCIO**

**CUYAHOGA FALLS '21**

**STARK STATE COLLEGE - BIOMEDICAL ENGINEERING**

"...building strong relationships with Mr. Ely (IT Academy instructor) and the other students provided me with a positive classroom environment that I am not sure I would have found in a traditional setting."

**TJ KRUSINSKI**

**HUDSON '09**

**VIDEO PRODUCER - FACEBOOK, OFFICE OF THE CEO**

"I loved the Early Childhood Professions program and would recommend it because the fieldwork experience was extremely relevant and easily applicable to both my college and professional career and affirmed for me why I wanted to be a teacher!"
