Makers of Tomorrow Summer Experience

Sponsored by CADET, a Career-Technical Education Program, at Kent Roosevelt High School

Designed for students entering grades 8, 9, and 10, participants will work in teams to dream, design and prototype, while learning engineering principles and applying critical thinking and problem-solving skills to real-world projects. Students will participate in worksite visits, work hands-on with Kent City Schools teachers and learn more about engineering and advanced manufacturing. Students will have experiences using Computer-Aided Design (CAD) programs, work on state-of-manufacturing equipment and discover future career opportunities in advanced manufacturing and engineering.

DATES: June 5 - 9, 2023

TIME: 8 a.m. - 3 p.m. (Drop-off between 7:45 - 7:55 a.m. at the main entrance loop - cafeteria atrium)
