Makers of Tomorrow Summer Experience

Sponsored by CADET, a Career-Technical Education Program, at Kent Roosevelt High School

The Makers of Tomorrow Summer Experience is for current 7th, 8th, and 9th grade students, where they will work in teams to dream, design and prototype. Students will participate in work-site visits, work hands-on with Kent City Schools teachers and learn more about careers in engineering and advanced manufacturing. Throughout the summer camp, students will learn engineering principles and how to apply critical thinking and problem-solving skills to real-world projects. During the summer camp experience students will have the opportunity to learn to use Computer Aided Design (CAD) programs, work on state-of-the-art manufacturing equipment and discover future career opportunities in engineering and advanced manufacturing.
