

CAREER-TECHNICAL EDUCATION - MIDDLE SCHOOL PROGRAMS

When the state legislature directed that Career-Technical Education be provided for middle school students, our Compact responded with various options. These programs allow middle schoolers to experience some of these career fields.

- Cuyahoga Falls – Family and Consumer Sciences; Business and Administrative Services; Design and Modeling
- Kent – Engineering and Science Technologies; Career Connections
- Stow-Munroe Falls – Family and Consumer Sciences; Programming and Software Development
- Tallmadge – Engineering and Science Technologies; Career Development; Software Development
- Woodridge – Business and Administrative Services
