

# SixDistrict Educational Compact

## 2026-2027 Overview

### What is Career-Tech / CTE?

Career-Technical Education (CTE) provides students with relevant, engaging, hands-on programming that includes college-prep academics (English, math & science), technical skill development and career exploration.

- Upon completing a CTE program, students are prepared to:
- Be career and college ready at the same time!
  - Enter the workforce with training aligned to industry standards.
  - Enter college to further study a career pathway.

- CTE Programs include opportunities for:
- Work-based learning experiences / internships
  - Job shadowing
  - Connections with area industry and higher ed partners
  - College credits
  - Mentorship that provides guidance on career exploration
  - Membership in career-based organizations

### What is the Compact?

The Six District Educational Compact is a network of six local school districts that offer 30 CTE programs to YOU!

- |                       |                          |
|-----------------------|--------------------------|
| <b>Cuyahoga Falls</b> | <b>Hudson</b>            |
| <b>Kent Roosevelt</b> | <b>Stow-Munroe Falls</b> |
| <b>Tallmadge</b>      | <b>Woodridge</b>         |

- Most programs are two years, and students typically participate in 11<sup>th</sup> & 12<sup>th</sup> grade. Priority is given to placement in 11<sup>th</sup> grade, but rising 10<sup>th</sup> graders may still apply.
- Students spend a half day at their home school completing their college prep academics and the other half day at their program school completing their CTE program.
- Students continue to participate in their home school athletics, clubs, activities, and graduation.
- Transportation is provided.

## What CTE completers are saying...

"The Construction program worked my brain in a different way than I found in the traditional classroom. I became a better problem solver and learned important professional skills. I really valued the mentorship and community involvement. This program provides a chance for students to figure out where their interests and strengths lie."

**ISABEL THOMAS, ROOSEVELT '18**  
ARCHITECTURAL DESIGNER - *HMB ARCHITECTS*

"The Six District EntrepreNew program taught me the importance of networking; learning those fundamentals has been crucial to my business's success. I would recommend this program to anyone who is interested in learning how to run their own company, in a fun environment with amazing guest speakers and a great teacher!"

**LANDON STELMARSKI, HUDSON '24**  
OWNER - BLUE RIBBON YARD CARE, LLC

"The Criminal Justice program provided me with valuable local connections and resources that supported by educational goals. This program gave me access to begin college courses while in high school, and I was able to graduate with my bachelor's degree in just three years."
