What is the Saturday Family Workshop: Effective Strategies for Managing Anger-Conflict-Emotion (MACE)?

The Saturday Family Workshop: Effective Strategies for Managing Anger-Conflict-Emotion (MACE) is a school-based intervention model with a helping perspective for families dealing with inappropriate actions as a result of anger. It is a service provided by the Six District Educational Compact at no charge.

This program is offered to students in grades 5, 6, 7 and 8 and their parents or legal guardians as a proactive step before a school policy violation, or as an alternative consequence of a school policy violation.

Focused on the family, attendance of the student and at least one parent or legal guardian is required. In addition, any family can choose to participate in the Saturday Family Workshop MACE solely to increase their own education and awareness of these issues.

The workshop is designed with an educational format to teach these effective strategies for Anger Management and Conflict Resolution. Instructional methods include short lectures, videos and group discussions in an informal setting. The facilitators focus on assisting families and giving practical strategies for success in dealing with anger, conflict, and emotions.

Program Features
